STITCHED DIFFERENT®

We all begin with a single stitch. Woven from the fabric of innovation, but designed to explore our imagination You have to stand up in order to stand out. And you can't answer what's next if you haven't to questioned what came first

Athlete or artist, we stride beyond the ordinary.
Not to conquer, but to connect.
Because walking your own path doesn't mean you walk alone.

Born from the threads of our surroundings, we were raised with sand in our eyes and dirt in our toes. Early birds and night owls, powder days and high swells. This is our playground.

For those who see the world not just as it is, but as it could be...don't just stand out, but stand for something

We are Stitched Different™.
We are a product of our environment.
And we are here to innovate the everyday.

STANCE

PUNKS + POETS

Stance Punks + Poets are our athlete and artist roster full of brand ambassadors who walk their own path and live a life that is Stitched Different. We celebrate our Punks + Poets year round and fuel their wide range of interests and pursuits with product that helps them perform their best. They stand with us and show the world what Stance is about on a daily basis.
