STITCHED DIFFERENT

Since our inception, Stance has been innovating, pioneering and creating a new future for the creative class. While the rest of the world was stuck in hustle mode, we were in the ocean, streets and mountains pursuing our passions. Now, after 15 years of building our legacy, we are igniting a new generation and passing the torch in the creative revolution we helped spark.

Versatility is a lifestyle. Comfort is a mandatory. Creativity is a nonnegotiable. Respect the process. Celebrate the unexpected. Seek adventure.

Beauty is in the imperfections. Personal expression is communal connection.

Paint studio or yoga studio.
Pavement or dirt.
Morning bird or night owl.
Powder day or high swell.

Our brand is built to inspire. Our product is designed to empower. This is creativity in motion. This is the era we've been waiting for.

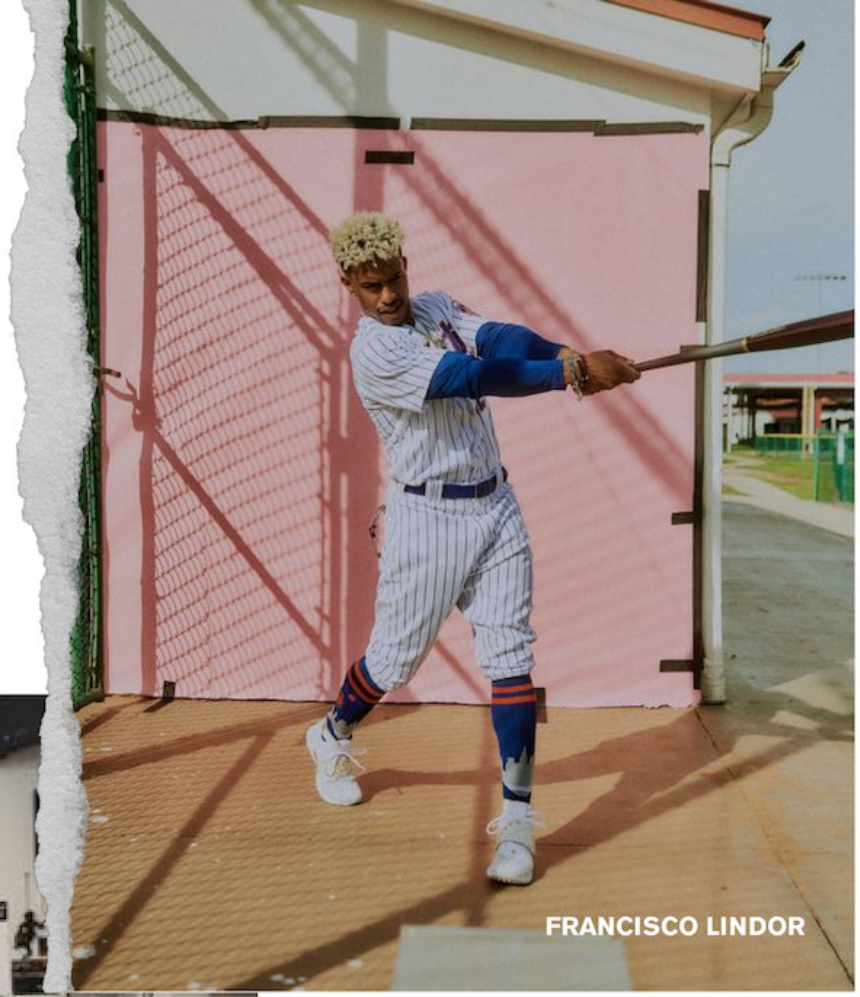
We are Stance. We are Stitched Different™.

OUR STORY

We believe that you shouldn't have to sacrifice self-expression for the sake of functionality or craftsmanship. Because why would you? Our philosophy is that everything you wear should be a direct extension of who you are and how you feel. An amplifier of your own unique energy. A point of view that's reflected in our products from toe to head. Sure, we've done our homework. Innovative materials, unparalleled comfort and colorful constructions that are built to last. Ours is an open invitation to embrace a life of creativity and confidence.

In 2009, we took the stance to reimagine what was once a stagnant staple and transform socks into one of fashion's most exciting accessories. By unlocking the creative potential of an open canvas too often overlooked, we ignited a worldwide cultural movement that has attracted visionary artists, athletes and icons to embrace our positive message of individuality, movement and self-expression. In the years since, our vision has expanded from toe to head with a full line of colorful apparel styles for a life in motion. After all, why should feet have all the fun? Through a bold combination of technological innovation, superior comfort and fresh artistic design that has become the foundation of our brand, Stance can now be found in over 40 countries for anyone looking to defy convention.We are Stitched Different®.

PUNKS & POETS



FRANCISCO LINDOR

NECKFACE

We are a culture of doers bound by curiosity. Freethinkers who celebrate a life less ordinary. We are called “punks”, and at the same time “poets”. We know that there’s a path but...we’ll just blaze our own.

ICON

Classic design and modern sensibility. Our gold standard of style and versatile comfort, the Stance Icon remains our pinnacle of sock perfection and our best selling style of all time. Carefully crafted for that feel-good fit in a kaleidoscope of vibrant colors, Stance Icons are your all-day, everyday essential to match your every mood and move. For those with a true appreciation for premium craftsmanship, accept no substitutes.

What is our Icon?

The Icon is our solid Casual Cotton sock.

Is the Icon our 556 Block?

The 556 (Crew Mid Cushion) is a part of the Icon, but other heights and cushions are also included. The Icon is not defined as 556.

Does the Icon only live in Staples?

The Icon will come in Staples, as well as seasonal.

What Genders have Icons?

All Gender, Women's, and Kids all have Icon styles and colorways.

What are the key features and benefits of the Icon sock?

Comfort: Premium Yarns for a soft-hand feel, targeted cushioning, seamless toe closure and the use of quality elastic for a stay-put fit and your everyday essential.

Versatility: Skate, Create, Train, Chill, Walk, Work, Travel and more. With various sock heights and cushion levels, the Icon is the go-to for your daily pursuits.

Self Expression: The Icon is a blank canvas for authentic self-expression. Coming in a kaleidoscope of colors to suit your every mood and personal style, the Icon truly checks all the boxes.

OUTKAST

Ever since they first emerged out the Dungeon for the Player's Ball back in '94, Big Boi (aka Daddy Fat Sacks) and the incomparable Andre 3000, known collectively as the duo Outkast, have forever changed the hip-hop landscape for their beloved Atlanta with an incomparable string of classic consecutive albums. Stance is proud to be partnering with these southernplayalistic sonic pioneers with a new collection paying homage to two of their most beloved works, featuring a sublimated Stankonia style and glow-in-the-dark ATLiens design.
