Please be aware that the sizing for inline and bespoke product is slightly different. This is dependent on the sport and activity the customer requires the product for. Mizuno recommends that the customer tries on the product before placing the order. Sizing samples can be arranged by contacting your Mizuno Sales Representative.

The measurements shown in the table are expressed in centimeters and indicate a range of average measurements between the minimum and maximum measurements for the corresponding size.

Average Height is given as a general guide. Length of products may vary, as they are adapted to meet sport specific requirements.
