COLLECTION DEVELOPMENT

# EVERY DAY. TOGETHER. FOR A GOOD MORROW

Frühling | Sommer Kollektion 2024

Spring | Summer Collection 2024

Es gibt Momente des Ankommens, des Ausruhens und staunenden Genießens. Wir haben sie in vielen Jahresthemen gewürdigt. Doch jetzt liegt für uns, wie für so viele Menschen und Unternehmen, Veränderung in der Luft. Mehr als 30 Maloja-Kinder sind seit der Firmengründung 2004 auf die Welt gekommen. Welchen Beitrag können und müssen wir leisten, damit sie und die Folgegenerationen noch einen Planeten vorfinden, auf dem es sich zu leben lohnt?

Der Klima- und Gesellschaftswandel ist für jeden ein Auftrag, sich mehr anzustrengen – so auch für uns. Eine Puzzle-Kollektion aus übriggebliebenen Materialien. Die Second Love-Initiative für gebrauchte Teile, die einem anderen Menschen neue Freude bringen. Ein Reparaturservice für beschädigte Teile sowie eine eigene Commuter-Linie, die für Arbeitswege per Rad wirbt. Der verstärkte Einsatz natürlicher, ungefärbter und recycelter Fasern. Und wann immer Styles den Multi-Sport-Einsatz erlauben, weisen wir das aus, auch um unsere Kollektion sukzessive zu verkleinern. Sogar im Design haben wir uns von Upcycle-Ästhetik inspirieren lassen, um aus achtlos Weggeworfenem unserer Konsumgesellschaft etwas Neues und Schönes zu kreieren.

Je ernster das Thema, desto wichtiger ist es uns, von einer aufmerksam wahrnehmenden und zur Aktivität mahnenden Zuversicht geleitet zu werden. Im Deutschen verwendet man für den Anbruch eines Tages und den nächsten Tag dasselbe Wort: Morgen oder eben morgen. Auf Englisch haben wir daraus „Good Morrow“ gemacht. Es steht für die Zuversicht, mit der wir uns heute den Herausforderungen von morgen stellen. Nie zuvor haben wir ein Jahresthema so unmissverständlich als Appell an uns selbst aufgefasst. Nie haben wir mehr Herzblut investiert, um es möglichst durchgängig in unserer Kollektion umzusetzen, denn die neuen Teile von heute sind das, was wir in vielen Jahren entsorgen oder eben wiederverwerten. Unsere 20. Kollektion ist eine Einladung, sich wie wir als Teil einer Bewegung zu verstehen, die es gut meint mit diesem Planeten.

Small steps. Everyday. Together. For a „Good Morrow“!

*There are moments of arrival, rest and awe-inspiring enjoyment. We've paid tribute to these in many of our annual themes. However, just like for many people and businesses, there's change in the air. Over 30 Maloja children have come into the world since the company was founded in 2004. What contribution can and must we make so that these children and future generations still have a planet worth living on?*

*Climate and societal change are a mandate for everyone to strive harder – including ourselves. A Puzzle collection using leftover materials. The "Second Love" initiative for used clothing which brings new happiness to others. A repair service for damaged clothing, as well as our own commuter line which promotes coming to work by bike. The increased use of natural, undyed and recycled fibres. And whenever styles allow a multi-sport use, we make it known to gradually reduce our collection. Even in terms of design, we've been inspired by upcycling aesthetics to create something beautiful and new out of things carelessly thrown away.*

*The more serious the issue, the more important it is for us to be guided by attentive and activating confidence. In German, the same word is used for daybreak and the next day: Morgen. In English, we turned it into "Good Morrow". It stands for the confidence to face the challenges of tomorrow already today. Never before have we understood an annual theme so unmistakably as an appeal to ourselves. Never before have we invested more passion to implement this theme as consistently as possible across our collection, because today's new clothing will be what we'll throw away or even recycle in years to come.*

*Our new collection is an invitation to see yourself and ourselves as part of a movement to do some good for this planet.*

*Small steps. Every day. Together. For a good morrow!*

## WIPALLA SOZIALPROJEKT IN BOLIVIEN

WIPALLA - A CHARITY PROJECT IN BOLIVIA

Seit 2013 unterstützt Maloja das bolivianische Sozialprojekt „Wipalla“ über Spenden und gezielte Aufträge.

Die Einrichtung in El Alto hat sich zur Aufgabe gemacht die Lebenssituation sozial benachteiligter Kinder und Jugendlicher sowie armer Frauen nachhaltig zu verbessern.

Rund 90 junge Menschen im Alter von 7 bis 26 Jahren sind in dem Förderungs- und Hilfsprogramm, das sich u.a. um gesundes Essen, betreutes Wohnen, Hilfe bei Hausaufgaben sowie Ausbildungsförderung und medizinische Betreuung kümmert.

In der angegliederten 40-köpfigen Frauenstrickgruppe werden für unsere Kollektionen regelmäßig handgefertigten Mützen, Schals, Ponchos, Jacken oder Schmuck aus Alpaka-Wolle hergestellt. Die Frauen können mit dem fair bezahlten Lohn das Familieneinkommen aufbessern und ihren Kindern beispielweise den Schulbesuch ermöglichen.

Mehr Informationen zum Projekt: [www.wipalla.de](http://www.wipalla.de)

*In 2013, Maloja has started to support the Bolivian social project "Wipalla" through donations and specific orders.*

*The project located in El Alto aims to sustainably improve the living conditions of socially displaced children, young adults and financially challenged women.*

*Around 90 young people between the age of 7 and 26 are enrolled in the support and assistance program, which includes healthy meals, shelter tutoring, educational support, medical care and much more. Maloja helped to establish a knitting community linked to Wipalla of approx. 40 women. They produce on a regular basis handcrafted hats, scarves, ponchos, jackets or jewelry from alpaca wool for our collections. The fairly paid wages help to improve the family income and enable them to send their children to school.*

*More information about the project: [www.wipalla.de](http://www.wipalla.de)*
