32mm

Superior hand feel that you need to feel to believe.
Winner of world cups, Cape Epics, and stages of La Ruta
de Conquistadores.

- Aluminum Lock Rings
- 3mm Allen Screw

- Dual Density High Performance Rubber

“ We never had any slippage during our testing...
Supacaz’s compound proved to be tacky and soft...
These grips offered enough damping to get away with
wearing thin gloves or no gloves at all.... We did not see
any wear issues after one month.
