STITCHED DIFFERENT®

We believe that you shouldn't have to sacrifice self-expression for the sake of functionality or craftsmanship. Because why would you? Our philosophy is that everything you wear should be a direct extension of who you are and how you feel. An amplifier of your own unique energy. A point of view that's reflected in our products from toe to head. Sure, we've done our homework. Innovative materials, unparalleled comfort and colorful constructions that are built to last. Ours is an open invitation to embrace a life of creativity and confidence.

OUR STORY

In 2009, we took the stance to reimagine what was once a stagnant staple and transform socks into one of fashion's most exciting accessories. By unlocking the creative potential of an open canvas too often overlooked, we ignited a worldwide cultural movement that has attracted visionary artists, athletes and icons to embrace our positive message of individuality, movement and self-expression. In the years since, our vision has expanded from toe to head with a full line of colorful apparel styles for a life in motion. After all, why should feet have all the fun? Through a bold combination of technological innovation, superior comfort and fresh artistic design that has become the foundation of our brand, Stance can now be found in over 40 countries for anyone looking to defy convention. We are Stitched Different®.

Stitched Different Anthem*

STITCHED DIFFERENT

Stitched Different® is our latest brand filter that will lead us into the next phase of Stance's evolution as we position ourselves at the intersection of comfort and self-expression. The underlying human truth here is that everyone wishes to be seen... to be free to truly be themselves. We believe that our products play a role in sparking confidence and igniting individuality, a surefire way to unlock one's truest self. Because clothes have powers. What you wear affects not only how you see yourself and but how you experience the world. So go ahead, make yourself comfortable.

PUNKS & POETS

We are a culture of doers bound by curiosity. Freethinkers who celebrate a life less ordinary. We are called "punks," and at the same time "poets." We know that there's a path but... we'll just blaze our own.

TOOTSIE ROLL

ABOUT TOOTSIE ROLL

Since 1931, civilization has grappled with one of the most burning questions in all of recorded history: just how many licks does it take to get to the center of a Tootsie Roll Pop? A leading expert in the field, known only as “Mr. Owl”, claims to have discovered this ever-elusive answer as “three” but analysts remain skeptical. Now you can conduct further research of your own in our new officially licensed collection celebrating the beloved hard candy and chocolate pop. See how long you can resist the crunch with these two multi-colored casual styles in both adult and kids sizing.

GREEN DAY 'DOOKIE' ALBUM 30th ANNIVERSARY

ABOUT THE ALBUM

As longtime staples of the East Bay punk scene since 1987, nobody was more shocked by the multi-platinum success of Green Day's third album, *Dookie*, than the band themselves. With their videos for "Longview" and "Basket Case" earning massive rotation on MTV, Billie Joe Armstrong, Mike Dirnt and Tre Cool quickly transformed themselves from a relatively unknown trio to the toast of Woodstock '94. To mark the occasion of *Dookie*'s 30th anniversary, Stance is releasing an all-new capsule collection featuring the Grammy Award-winning album's legendary artwork on a choice curation of t-shirts, socks and underwear. Welcome to paradise.

MELISSA SANTAMARIA

ABOUT THE ARTIST

Artist Melissa Santamaria finds her inspiration in synaesthesia as she translates psychedelic sights from often-abstract soundscapes for altogether unique works of visual sounds. Having worked with such cutting edge artists as Flying Lotus and Sufjan Stevens, Melissa can now add Stance to her long list of esteemed collaborations with an all-new collection for 2024. Applying her immersive 3D experiences to canvas (or in this case, cotton), Melissa's latest pieces include a graphic tee and crop top as well as four separate sock designs.
