# Airmatic

*The revamped Airmatic All Mountain riding gear, was meticulously rebuilt to live up to the Airmatic name. With a steadfast focus on fit, flexibility, and airflow, our design approach ensures an unparalleled riding experience. Strategically positioned materials used to shed weight, amplify breathability, and optimize mobility. From rugged trails to cruising through smooth terrain, the new Airmatic collection emerges as the quintessential choice for all riding endeavors. Experience the perfect fusion of comfort and functionality.*

## Features

### Jersey Features:

- Crafted from lightweight, breathable recycled polyester dyed fabric, our gear ensures eco-conscious performance without compromising on quality.
- 4-way stretch material, engineered to provide maximum flexibility on every ride.
- Sleek aesthetic with screen-printed graphics and a silicone logo applique, ensuring durability and style.
- Drop tail design offers full coverage in the riding position, keeping you protected on even the most demanding trails.
- Tailored to enhance mobility, allowing you to conquer any terrain with ease and comfort.

### Pant Features:

- Lightweight 4-way stretch ripstop, recycled polyester main body for improved durability
- Elastic waistband with dual snap closure provides maximum comfort and increased flexibility
- Bonding in critical areas prevents chafing and reduces weight
- Zipper pockets for security of essentials. Stabilization pocket to store device or tools
- Articulated knee for improved fit and movement

### Short Features:

- Lightweight 4-way stretch ripstop, recycled polyester main body for improved durability
- Elastic waistband with dual snap closure provides maximum comfort and increased flexibility
- Bonding in critical areas prevents chafing and reduces weight
- Zipper pockets for security of essentials. Stabilization pocket to store device or tools
- Articulated knee for improved fit and movement
- Short outseam length: 23" (Based on size 32")
